

The Best of Downtown NYC Tour

List of sights you will see on this tour

Your tour may be customized to spend more or less time at particular sights of interest to you, as well as ones you'd rather skip. On all our private tours, **sights are seen from both inside *and* outside the vehicle.**

Greenwich Village: Meander through the narrow, tree-lined streets with your guide and you'll instantly be caught under its spell. Far removed from the skyscrapers of Midtown, here you'll feel like your in a small town somewhere that's not New York, yet this is probably the most characteristically New York neighborhood of them all! The history of Greenwich Village that is. Cafes, artists, reformers & intellectuals. More has happened here to influence popular culture than perhaps any other neighborhood in the world. You'll LOVE this place. LOTS to discover here.

Chinatown: Your guide will walk you through the busy streets and on to the neighborhood's oldest section where you'll also discover a secret tunnel used back in the Chinatown's days of opium den's gang wars.

Little Italy: Just one block over from Chinatown and you're in a different world. It's amazing what a difference just one block makes in this city. Your guide will show you all the best places to eat at all the specialty food shops as well as explain the local history and stories.

St. Paul's Chapel: You'll take a walk with your guide through this hallowed building that has stood as witness to some of the most historic events of this country.

Ground Zero: Here you'll get a chance to visit the firehouse directly across the street from Ground Zero and talk to one of the firefighters personally. Right across the street is Ground Zero. Take a peek through the fence to see the actual construction going on.

Wall Street / Financial District: Take a walk through the City's and our nation's financial capital. This is also the oldest part of the City, when it was originally called New Amsterdam. How did it all start? What made New York the capital of commerce? Learn all this and more.

Staten Island Ferry / Statue of Liberty: Take a ride on the Staten Island Ferry for inspiring, up-close views of the Statue of Liberty, Governor's Island and the New York Harbor. There's no doubt you'll learn some new facts and stories you've never heard before!

Brooklyn Bridge: Take one of the most dramatic walks in New York City, over the famous Brooklyn Bridge with your guide. Hear the stories of old New York as you ponder the breathtaking views of the New York waterfront and skyline.
