Empire State Building or Top of the Rock Observation Deck

You may choose which observation deck you want to visit. You always have the option of adding in both observatories if you wish.

Empire State Building

- Location: 350 5th Avenue at 34th Street.
- Your tickets will be mailed to you within 30 days of your arrival in New York, along with all of your other package details and tickets. If your arrival date is less than 40 days from when you make your reservation, then you will receive your tickets within 10 days of making your reservation.
- The Empire State Building observation deck allows you to visit any day, any time during operating hours, giving you the freedom to decide while you're here when is the best time for you to go. The Observatory's regular hours of operation are: 8:00am to 2:00am 7 days a week, 365 days a year. Last elevators go up at 1:15am.
- The Empire State Building also has a newly re-opened 102nd Floor Observatory. Tickets are only sold upon arrival at the Empire State Building at a cost of \$15.00 in addition to regular admission tickets.
- The Empire State Building's observatory is the tallest in the City (86th floor observatory is 1,050 feet; 320 meters), and is reached by high speed, automatic elevators, has both a glass-enclosed area, which is heated in winter and cooled in summer, and spacious outdoor promenades on all four sides of the Building. High powered binoculars are available on the promenades for the convenience of visitors at a minimal cost. Souvenir counters are also located in the 86th floor observatory. The 86th floor observatory is handicap accessible.
- ESB Express Pass: \$26 additional per person
The lines at the Empire State Building Observatory are as legendary as the building itself. The line actually consists of 3 different lines. The first one is the security line that everyone must go through. Next comes the ticket line. Visitors with pre-purchased tickets can skip this line which can save a considerable amount of time during our busiest times. The 3rd and last line is for the elevators that take you to the Observatory. By purchasing an Express Pass you will automatically be moved to the front of each and every line.

Top of the Rock

- Location: Entrance on 50th Street between 5th and 6th Avenues. Adjacent to Times Square.

- The Top of the Rock observation deck is our personal favorite and has multi-media historical exhibits, an exciting elevator ride to the top and a unique view of the City.
- Your tickets will be mailed to you within 30 days of your arrival in New York, along with all of your other package details and tickets. If your arrival date is less than 40 days from when you make your reservation, then you will receive your tickets within 10 days of making your reservation.
- The Top of the Rock is open from 8am to midnight (last elevator up at 11pm), 365 days a year.
- Since the observation deck at Top of the Rock is on the 70th floor, you have the feeling of being suspended and floating in the middle of the Manhattan skyline. The view of the Empire State Building is picture perfect, as is the rest of the City from this awesome vantage point.
- Top of the Rock requires you to pick a date and time you would like to visit. This reduces the amount of time waiting in line.

NY Waterway 90-minute tour

- Location: New York Waterway – pier 78 at West 38th Street (on the Hudson River)
- Multiple departure times make it easy to fit this must-experience tour into your itinerary. Departure times vary according to the time of year but generally run at 10am, 11am, 12pm 1pm and 2pm all year round.
- Your tickets will be mailed to you within 30 days of your arrival in New York, along with all of your other package details and tickets. If your arrival date is less than 40 days from when you make your reservation, then you will receive your tickets within 10 days of making your reservation.
- The boat *does not* stop at the Statue of Liberty or Ellis Island but the tour does give you a breathtaking view of both of these famous landmarks. The sightseeing boat cruise is a great way to see the Statue of Liberty up close without having to wait in long lines.
- All boats have an indoor and outdoor viewing area to accommodate all types of weather.
- Food and refreshments (including beer) are served on board.
- Getting to the pier to take your tour is simple, easy and inexpensive. A taxi from most Midtown Manhattan hotels typically costs no more than \$10 total (per taxi, not per person). *Free* shuttles are available to take you back to Midtown Manhattan.

The perfect afternoon lunch with the girls in Manhattan

- All arrangements are made for you. Your meal is pre-paid for \$50 per person. You will only receive a bill if you exceed this amount. You will have access to the chosen restaurant's full regular menu.
- No vouchers are needed. Just arrive at the restaurant at your designated time and

give your name to the host/hostess. You will be seated and everything is already paid for.

- Transportation to the restaurant is not included in your package. If you choose, you have the option to be dropped off or picked up at the restaurant after or before your day of shopping. Taxis to and from locations within Manhattan usually range between \$8 - \$15 total, including tip.

Personal Concierge Service

- Your personal concierge is assigned to you the moment you make your reservation and is available to you throughout your stay in New York until the moment you're on your plane to go back home.
- Your concierge can really come in handy when it comes to planning all those things to do that are *outside* of your package. Things like finding the best places to go shopping, what's the best way to get around town, where are the best places to listen to some live music or where to find some great local restaurants.
- Our office hours are Monday through Friday 11am to 7pm and we are on call 24 hours a day as well as throughout the weekend if we are needed.
- Our office number is (631) 418-6585.

Enhance your package and make your New York City vacation extra special with the following:

	<ul style="list-style-type: none">• An exfoliating scrub and 1-hour massage <p>In addition to the spa treatments in the regular package you will be treated to your choice of a 1-hour massage or 1-hour hydrating body wrap as well as an exfoliating body scrub.</p>
	<ul style="list-style-type: none">• 4-hour 'private tour' of the City (instead of a Grayline bus tour) <p>Leave the tourists behind and experience New York in a way most visitors never get a chance to. You'll be shown around the City for 4 hours by a local New Yorker and licensed tour guide in a private vehicle (your choice of limousine, car, SUV or van) with a separate driver. This is not your average sightseeing tour folks! You will see all the major highlights of New York, but you will also discover and explore all those hidden gems that really make New York, New York. Your tour is interactive, fun, immensely informative and will be the highlight of your trip.</p>

How It All Works:

One-hour massage & exfoliating scrub added to spa package

- Asian massage therapists of Acupressure, Shiatsu as well as Deep Sports Massage are used to stimulate or sedate the meridian systems of the body and release blocked chi. One or all techniques may be requested.

Four-hour private City tour

- You will have a separate tour guide from your driver. Your driver *is not* your guide.

- You get to choose your vehicle. Limousines are great when you want to impress or want that added sense of luxury and come standard with refreshments at no extra charge. Vans are perfect for sightseeing with their much larger windows and are a lot easier to get in and out of. Vans are also ideal for parties of more than 4 people. Luxury sedans (such as a Lincoln Town Car or Mercedes) are good for 2 people. SUVs are fun as an additional option and have large windows and are a little higher up off the ground so you can see a bit more.
- You can take your tour any day, any time you want. We recommend taking it the day after you arrive so you become more familiar with the City right away. Then you can spend the rest of your trip going back and spending more time at those places you enjoyed most during your tour.
- We will pick you up and drop you off at your hotel (or anywhere in Manhattan). Pick ups and drop offs are available at airports and areas outside of Manhattan for an additional charge.
- You have an option to include a NYC-style pizza lunch in your tour for \$8 per person. The lunch is eaten in the vehicle while you are sightseeing so as to make maximum use of your time. You also have the option of choosing something else to eat if pizza does not suit you.
- Our guides work really well with kids of all ages and know how to be flexible and accommodating when needed the most. This tour is about making YOU happy.
- All tours are customized to put an emphasis on what matters most to you. We can totally customize a tour if needed to show you the parts of the City that are of most interest to you. Whether you have a special interest in history, shopping, celebrities, movie locations, certain parts of the City, art, architecture, literature, music or anything else, our guides are highly trained and extremely knowledgeable to cater to your special interests.
- We'll select our guide that will be the perfect fit for you. Everyone has a particular personality and everybody's different. We'll match you with the perfect guide that you will have the most perfectly pleasant experience with.
- Tipping your tour guide and driver is customary and is not included in your package price. Many people tip the guide and ask him or her to split the tip with the driver, and some prefer to tip each separately. Either way, if you have thoroughly enjoyed your private tour of New York, please show your appreciation to the ones who made it possible. An average total tip for a 4-hour tour is \$50.
