## How It All Works:

### Full access to any 2 Broadway shows of your choice

- Choose from over 30 shows, from famous Broadway musicals like Lion King, Jersey Boys and Wicked to dramas, comedies, Broadway revivals, and the latest productions to hit the stage.
- Your tickets will be mailed to you within 30 days of your arrival in New York, along with all of your other package details and tickets. If your arrival date is less than 40 days from when you make your reservation, then you will receive your tickets within 10 days of making your reservation.

- E-tickets give you the added value of security and peace of mind in case you lose your actual tickets. Since we will have additional copies of your tickets on file, we can just e-mail them to you or fax them to your hotel!
- You may choose which play you want to see. If the show you want is sold-out or only has lesser value seats available, you have the option of either paying a higher per-ticket price for this show (usually \$50 - \$100 more per ticket) or choose a different show. Premium seats to shows - which are the first 10 rows, center stage - are also available for an additional \$100 - \$150 per ticket depending on the show.
- If you have a preference, you may choose which day you would like to see your show. Most theaters are dark on Mondays. Evening performances are at either 7pm or 8pm while matinees are at either 2pm or 3pm (usually on Wednesdays, Saturdays and Sundays).
- The theater does not have a dress code. The majority of people will be slightly dressed up while there will be people wearing jeans or shorts and t-shirts as well.
- All Broadway theaters are located in the Theater District (41<sup>st</sup> Street to 57<sup>th</sup> Street between 6<sup>th</sup> Avenue and 8<sup>th</sup> Avenue), within easy walking distance to most Midtown Manhattan hotels. Transportation to the theater is not required in most cases and is therefore not included in our packages. Car service can always be arranged upon request.

#### 4-hour Private City Tour

- You will have a separate tour guide from your driver. Your driver *is not* your guide.
- You get to choose your vehicle. Limousines are great when you want to impress or want that added sense of luxury and come standard with refreshments at no extra charge. Vans are perfect for sightseeing with their much larger windows and are a lot easier to get in and out of. Vans are also ideal for parties of more than 4 people. Luxury sedans (such as a Lincoln Town Car or Mercedes) are good for 2 people. SUVs are fun as an additional option and have large windows and are a little higher up off the ground so you can see a bit more.
- You can take your tour any day, any time you want. We recommend taking it the day after you arrive so you become more familiar with the City right away. Then you can spend the rest of your trip going back and spending more time at those places you enjoyed most during your tour.
- We will pick you up and drop you off at your hotel (or anywhere in Manhattan). Pick ups and drop offs are available at airports and areas outside of Manhattan for an additional charge.
- You have an option to include a NYC-style pizza lunch in your tour for \$8 per person. The lunch is eaten in the vehicle while you are sightseeing so as to make maximum use of your time. You also have the option of choosing something else to eat if pizza does not suit you.
- Our guides work really well with kids of all ages and know how to be flexible and accommodating when needed the most. This tour is about making YOU happy.

- All tours are customized to put an emphasis on what matters most to you. We can totally customize a tour if needed to show you the parts of the City that are of most interest to you. Whether you have a special interest in history, shopping, celebrities, movie locations, certain parts of the City, art, architecture, literature, music or anything else, our guides are highly trained and extremely knowledgeable to cater to your special interests.
- We'll select our guide that will be the perfect fit for you. Everyone has a particular personality and everybody's different. We'll match you with the perfect guide that you will have the most perfectly pleasant experience with.
- Tipping your tour guide and driver is customary and is not included in your package price. Many people tip the guide and ask him or her to split the tip with the driver, and some prefer to tip each separately. Either way, if you have thoroughly enjoyed your private tour of New York, please show your appreciation to the ones who made it possible. An average total tip for a 4-hour tour is \$50.
