Empire State Building or Top of the Rock Observation Deck

- You may choose which observation deck you want to visit. You always have the option of adding in both observatories if you wish.

EMPIRE STATE BUILDING

- Location: 350 5th Avenue at 34th Street (Manhattan).
- The Empire State Building observation deck allows you to visit any day, any time during operating hours, giving you the freedom to decide while you're here when is the best time for you to go. The Observatory's regular hours of operation are: 8:00am to 2:00am 7 days a week, 365 days a year. Last elevators go up at 1:15am.
- The Empire State Building also has a newly re-opened 102nd Floor Observatory. Tickets are only sold upon arrival at the Empire State Building at a cost of \$15.00 in addition to regular admission tickets.
- Your tickets will be mailed to you within 30 days of your arrival in New York, along with all of your other package details and tickets. If your arrival date is less than 40 days from when you make your reservation, then you will receive your tickets within 10 days of making your reservation.

High powered binoculars are available on the promenades for the convenience of visitors at a minimal cost. Souvenir counters are also located in the 86th floor observatory. The 86th floor observatory is handicap accessible.
- ESB Express Pass: \$26 additional per person
The lines at the Empire State Building Observatory are as legendary as the building itself. The line actually consists of 3 different lines. The first one is the security line that everyone must go through. Next comes the ticket line. Visitors with pre-purchased tickets can skip this line which can save a considerable amount of time during our busiest times. The 3rd and last line is for the elevators that take you to the Observatory. By purchasing an Express Pass you will automatically be moved to the front of each and every line.

TOP OF THE ROCK

- Location: Entrance on 50th Street between 5th and 6th Avenues (Manhattan). Adjacent to Times Square.
- Your tickets will be mailed to you within 30 days of your arrival in New York, along with all of your other package details and tickets. If your arrival date is less than 40 days from when you make your reservation, then you will receive your tickets within 10 days of making your reservation.
- The Top of the Rock observation deck is our personal favorite and has multi-media historical exhibits, an exciting elevator ride to the top and a unique view of the City.
- The Top of the Rock is open from 8am to midnight (last elevator up at 11pm), 365 days a year.

- Since the observation deck at Top of the Rock is on the 70th floor, you have the feeling of being suspended and floating in the middle of the Manhattan skyline. The view of the Empire State Building is picture perfect, as is the rest of the City from this awesome vantage point.
- Top of the Rock requires you to pick a date and time you would like to visit. This reduces the amount of time waiting in line.

Broadway show

- Choose from over 30 shows, from famous Broadway musicals like Lion King, Jersey Boys and Wicked to dramas, comedies, Broadway revivals, and the latest productions to hit the stage.
- Your electronic tickets will be mailed to you within 30 days of your arrival in New York, along with all of your other package details and tickets. If your arrival date is less than 40 days from when you make your reservation, then you will receive your tickets within 10 days of making your reservation.
- E-tickets give you the added value of security and peace of mind in case you lose your actual tickets. Since we will have additional copies of your tickets on file, we can just e-mail them to you or fax them to your hotel!
- You may choose which play you want to see. If the show you want is sold-out or only has lesser value seats available, you have the option of either paying a higher per-ticket price for this show (usually \$50 - \$100 more per ticket) or choose a different show. Premium seats to shows - which are the first 10 rows, center stage - are also available for an additional \$100 - \$150 per ticket depending on the show.
- If you have a preference, you may choose which day you would like to see your show. Most theaters are dark on Mondays. Evening performances are at either 7pm or 8pm while matinees are at either 2pm or 3pm (usually on Wednesdays, Saturdays and Sundays).
- The theater does not have a dress code. The majority of people will be slightly dressed up while there will be people wearing jeans or shorts and t-shirts as well.
- All Broadway theaters are located in the Theater District (41st Street to 57th Street between 6th Avenue and 8th Avenue), within easy walking distance to most Midtown Manhattan hotels. Transportation to the theater is not required in most cases and is therefore not included in our packages. Car service can always be arranged upon request.

90-minute sightseeing boat cruise

- Location: New York Waterway – pier 78 at West 38th Street (on the Hudson River)
- Multiple departure times make it easy to fit this must-experience tour into your itinerary. Departure times vary according to the time of year but generally run at 10am, 11am, 12pm 1pm and 2pm all year round.
- Your tickets will be mailed to you within 30 days of your arrival in New York, along with all of your other package details and tickets. If your arrival date is less than 40 days from when you make your reservation, then you will receive your tickets within 10 days of making your reservation.

- The boat *does not* stop at the Statue of Liberty or Ellis Island but the tour does give you a breathtaking view of both of these famous landmarks. The sightseeing boat cruise is a great way to see the Statue of Liberty up close without having to wait in long lines.
- All boats have an indoor and outdoor viewing area to accommodate all types of weather.
- Food and refreshments (including beer) are served on board.
- Getting to the pier to take your tour is simple, easy and inexpensive. A taxi from most Midtown Manhattan hotels typically costs no more than \$10 total (per taxi, not per person). *Free* shuttles are available to take you back to Midtown Manhattan.

- Our office hours are Monday through Friday 11am to 7pm and we are on call 24 hours a day as well as throughout the weekend if we are needed.

How It All Works:

Horse & Carriage

- Your horse and carriage ride will take place after your 4-hour private City tour.
- A gratuity for the driver is already included.
- You may choose to have a longer carriage ride if you like for an additional \$20 total per extra 15 minutes.

Limousine Airport Service

- Your driver will meet you in the baggage claim area and will be holding a sign with your name on it. A phone number will be provided for you to contact the driver if necessary.
- Your limousine is fully stocked with complimentary refreshments and alcohol.
- All limousines have a privacy divider for your convenience.
- Travel time to your hotel from Newark, JFK and LaGuardia airports is approximately 1 hour in normal traffic.
- Tolls are included.
- Gratuity to the driver is not included. An average tip for an airport transfer is \$20.

4-hour Private City Tour

- You will have a separate tour guide from your driver. Your driver *is not* your guide.
- You get to choose your vehicle. Limousines are great when you want to impress or want that added sense of luxury and come standard with refreshments at no extra charge. Vans are perfect for sightseeing with their much larger windows and are a lot easier to get in and out of. Vans are also ideal for parties of more than 4 people. Luxury sedans (such as a Lincoln Town Car or Mercedes) are good for 2 people. SUVs are fun as an additional option and have large windows and are a little higher up off the ground so you can see a bit more.
- You can take your tour any day, any time you want. We recommend taking it the day after you arrive so you become more familiar with the City right away. Then you can spend the rest of your trip going back and spending more time at those places you enjoyed most during your tour.
- We will pick you up and drop you off at your hotel (or anywhere in Manhattan). Pick ups and drop offs are available at airports and areas outside of Manhattan for an additional charge.
- You have an option to include a NYC-style pizza lunch in your tour for \$8 per person. The lunch is eaten in the vehicle while you are sightseeing so as to make maximum use of your time. You also have the option of choosing something else to eat if pizza does not suit you.

- Our guides work really well with kids of all ages and know how to be flexible and accommodating when needed the most. This tour is about making YOU happy.
- All tours are customized to put an emphasis on what matters most to you. We can totally customize a tour if needed to show you the parts of the City that are of most interest to you. Whether you have a special interest in history, shopping, celebrities, movie locations, certain parts of the City, art, architecture, literature, music or anything else, our guides are highly trained and extremely knowledgeable to cater to your special interests.
- We'll select our guide that will be the perfect fit for you. Everyone has a particular personality and everybody's different. We'll match you with the perfect guide that you will have the most perfectly pleasant experience with.
- Tipping your tour guide and driver is customary and is not included in your package price. Many people tip the guide and ask him or her to split the tip with the driver, and some prefer to tip each separately. Either way, if you have thoroughly enjoyed your private tour of New York, please show your appreciation to the ones who made it possible. An average total tip for a 4-hour tour is \$50.
